# BEERLISTTAP

**ALLAGASH, WHITE WITBIER 5.1% ABV** 7
**Portland, Maine.** My personal Cicerone calls Allagash White the undisputed "best" wheat beer in the United States. We love it too! This lively brew tickles our fancy. P.S. What he doesn't know is that without him, this list wouldn't be possible.

**NORTH COAST, SCRIMSHAW PILSNER 4.7% ABV** 6
**Ft. Bragg, California.** Never judge a beer by the size of its sail. North Coast certainly caught this sailor's attention with the girth of its mast. My favorite Pilsner west of the Rockies.

**LAGUNITAS, IPA INDIA PALE ALE 6.2% ABV** 6
**Petaluma, California.** The original West Coast India Pale Ale. A hoppy Ale celebrating the British trade routes to India. But who cares about history, sweetheart? Just pour my beer and grab me a curry puff.

**OSKAR BLUES, OLD CHUB NITRO SCOTCH ALE 8% ABV** 8
**Longmont, Colorado.** This jaw-dropping Scotch Ale is brewed with bodacious amounts of roasted malts and Beechwood-smoked malt. Old Chub features semi-sweet flavors of cocoa and coffee, and a wee-bit of smoke.

**SEASONAL, ROTATING TAPS** MKT
**U.S.A.** It could be local, from the midwest, or even the coasts. One thing we know: it'll be American, craft, and delicious! Your server or bartender has the details.

# BEERLISTBOTTLES&CANS

**CRISPIN, ORIGINAL CIDER HARD CIDER 5% ABV** 6.5
**Minneapolis, Minnesota.** Classically styled, but an untraditional hard cider. Using fresh-pressed apple juice, this original produces a fresh, crisp cider for your taste buds to enjoy.

**VANDERMILL, TOTALLY ROASTED SEASONAL CIDER 6.8% ABV** 8
**Spring Lake, Michigan.** A newbie on the brew scene in 2006, we love the semi-sweet nature of the vanilla, cinnamon, and pecans that'll make you hear the rustle of dry leaves no matter the time of year.

**TWO BROTHERS, PRAIRIE PATH GOLDEN ALE (GF) 5.1% ABV** 6
**Warrenville, Illinois.** How can it be, it's gluten free? Who cares, come on, this beer is simply delicious. The brothers have done it again! I hear they're working on a beer to end the curse on the Cubs.

**SCHLITZ, AMERICAN ADJUNCT LAGER 4.7% ABV** 4
**Milwaukee, Wisconsin.** In the wake of the Great Chicago Fire in 1871, Schlitz brewery sent hundreds of barrels of beer to support Chicago. That's one heckuva neighbor. We're in.

**KRANKSHAFT KOLSCH 5% ABV** 6
**Chicago, Illinois.** An homage to the famous style from Cologne, Krankshaft Kolsch drinks like a crisp lager with citrusy lemon zest and a spicy hop balance. Chicago is all about Krankshaft and Krankshaft is all about Chicago.

**ALE ASYLUM, UNSHADOWED HEFEWEIZEN 7% ABV** 6.5
**Madison, Wisconsin.** This hefeweizen is exclusive to Wisconsin and Illinois, and we'd be lying if we said we didn't like the exclusivity. Expect all of the banana and lemon you'll usually find in a hefe. Expect to crush this before your burger hits the table.

**OFF COLOR, APEX PREDATOR FARMHOUSE ALE 6.8% ABV** 6.5
**Chicago, Illinois.** You're your own (wo)man. You make your own decisions. You're the head of your pride. So why not reward yourself with a beer whose wild nature suits your own? Natural sugars, grains, and yeasts are free to roam in this farmhouse ale, finished by a dry-hopped, fruity goodness. Be the king of your concrete jungle, and let yourself go.

**LAGUNITAS, A LITTLE SUMPIN' SUMPIN' PALE WHEAT 7.5% ABV** 6
**Petaluma, California.** A little poetic license from the brewmaster, "Wheaty-esque-ish-ness" my sources confirm, 3 types of wheat & all the "C" hops. The result, a hazy slightly bitter ale and a very prettygirl.

**DESCHUTES, RED CHAIR NORTHWESTERN PALE ALE 7% ABV** 7
**Bend, Oregon.** The folks over in Oregon loved this IPA so much in the brewery they decided to share it with you. Part of their Bond Street Series, this super citrus-y IPA will leave you satisfied from the first whiff til the last drop. That's right, I said whiff…it's absolutely OK to smell a beer when it's this good. And even more OK to drink it.

**BALLAST POINT, SCULPIN IPA 7% ABV** 7
**San Diego, California.** If you haven't tried this one out yet, do it now…and consider moving out from underneath the rock that you've been living under for the past couple of years while you're at it.

**VICTORY, GOLDEN MONKEY BELGIAN TRIPEL 9.5% ABV** 7.5
**Downingtown, Pennsylvania.** What's up with the monkey reference? Well, this Belgian-style trippel comes in at 9.5 ABV, and drinking two brings out the playful monkey in all of us.

**ALE ASYLUM, AMBERGEDDON AMERICAN AMBER 6.8% ABV** 6.5
**Madison, Wisconsin.** A West Coast twist on a traditional American Amber, this brew from our neighbors to the North is 100% gimmick-free. Water, malts, hops, and yeast. That's it! And that goes for every beer they have to offer. Rejoice in the refined simplicity.

**BOULEVARD, THE SIXTH BELGIAN QUAD 10.5% ABV** 9
**Kansas City, Missouri.** "Do you know what dwells in a glass?" asks Ole, in Hans Christian Andersen's The Watchman of the Tower. Andersen wrote this short, cautionary tale for a somewhat older audience. This quadrupel ale, also meant for the mature connoisseur, is a deep and mysterious libation, dark auburn and full-bodied, its sweetness deceptive.

**GREENBUSH, ANGER AMERICAN BLACK ALE 7.6% ABV** 8
**Sawyer, Michigan.** Your eyes are not playing tricks on you, this IPA is loaded with American hops, but the addition of dark roasted malt lends a stout-like quality that ensnares both IPA and dark beer lovers.

**NOON WHISTLE, BERNIE MILK/SWEET STOUT 5% ABV** 6.5
**Lombard, Illinois.** Brewed right up the street, this milk stout uses just a touch of lactose sugar to add body and depth to an already stunningly complex yet drinkable stout.

**FOUNDER'S, BREAKFAST STOUT**
**DOUBLE IMPERIAL STOUT 8.3% ABV** 10
**Grand Rapids, Michigan.** Grand Rapids, Michigan Rated a near perfect score of 99 on Beer Advocate - This imperial stout is brewed with flaked oat, bitter chocolate, as well as touches of Kona and Sumatra coffee. This is a coffee-lovers' beer if there ever was one. The aroma of a fine cup of java will wake you up as if there were coffee crystals in your cup.

**GREAT DIVIDE, YETI IMPERIAL STOUT 9.5% ABV** 9.5
**Denver, Colorado.** Inky-black brew, Yeti opens with a massive, roasty, chocolate, coffee malt flavor that eventually gives way to rich toffee and burnt caramel notes. Packed with an enormous quantity of American hops, Yeti's hop profile reveals a slightly citrusy, piney, and wonderfully dry hoppy finish. It'll only take one or two of these bad boys to inspire a hunt for this mythical beast.
