BEERLIST TAP

LEFT HAND, MILK STOUT NITRO SWEET STOUT

7
Longmont, Colorado. Quite possibly America's best milk stout! A double gold medal winner. Robust malt & coffee flavors, a bit of milk, sugar, flaked oats and chocolate round out this dark brew and certainly satisfy all of your breakfast nutritional needs.

7

COORS LIGHT AMERICAN LAGER

5
Golden, Colorado. Coors Light. Colorado Kool-Aid. The Silver Bullet? It doesn't matter what we call it. You know it. You love it.

5

FOUNDERS, ROTATING

6
Grand Rapids, Michigan. "Brewed for us." That's the motto that the guys over at Founders live by, and we couldn't be more grateful. Uninterested in appealing to the masses, their beers are chock full of big flavors that your palate won't soon forget.

6

ALLAGASH, WHITE WITBIER

7
Portland, Maine. My personal Cicerone calls Allagash White the undisputed "best" wheat beer in the United States. We love it too! This lively brew tickles our fancy. P.S. What he doesn't know is that without him, this list wouldn't be possible.

7

STELLA, ARTOIS EURO PALE LAGER

6
Belgium. No law tells a Belgian how to brew his beer, and we're ready to go lawless after tasting this import.

6

REVOLUTION, ROTATING

6
Chicago, Illinois. Sometimes we get a little crazy. Sometimes we want to be the local hero, but let's never be afraid to double fist. A salute, in which we rise o'er shoulders with tin vessels in hand, to all the frayed and furrowed pointing to this exact moment in time. Cheers.

6

GOOSE ISLAND, GREEN LINE AMERICAN PALE ALE

6
Chicago, Illinois. Pale Ale with a hop aroma and citrus flavor. Drink this beer & you're giving back. Doesn't it feel good to multitask?

6

HALF ACRE, DAISY CUTTER WEST COAST PALE ALE

7
Chicago, Illinois. A West Coast Pale Ale in style, made just down the block – chock-full of dark aromatic hops. A screamer, if ya know what I mean.

7

LAGUNITAS, IPA AMERICAN IPA

7
Petaluma, California & Chicago, Illinois. The original West Coast India Pale Ale. A hoppy Ale celebrating the British trade routes to India. But who cares about history, sweetheart? Just pour my beer and grab me a curry puff.

7

OFF COLOR, APEX PREDATOR FARMHOUSE ALE

8
Chicago, Illinois. You're your own (wo)man. You make your own decisions. You're the head of your pride. So why not reward yourself with a beer whose wild nature suits your own? Natural sugars, grains, and yeasts are free to roam in this farmhouse ale, finished by a dry-hopped, fruity goodness. Be the king of your concrete jungle, and let yourself go.

8

MOODY TONGUE, CARMELIZED CHOCOLATE CHURRO BALTIC PORTER

8
Chicago, Illinois. Jared Rouben, brewmaster at Moody Tongue, is taking everything he learned working in kitchens and applying it to craft beer, creating some of the most interesting, well-balanced beers in the city. Do you love chocolate? Do you love beer? We know, silly questions.

8

SEASONAL, ROTATING

MKT
U.S.A. It could be local, from the midwest, or even the coasts. One thing we know: it'll be American, craft, and delicious! Your server or bartender has the details.

The perfect reward for an honest day's work and the ultimate companion to celebrate life's simple pleasures.
